Report of Principal and School Improvement Council

Lady's Island Elementary is located in Beaufort, South Carolina. It is nestled in a remote corner of Lady's Island bordered by the marshes of Chowan Creek and Distant Island. An Arts in Basic Curriculum School of choice, Lady's Island Elementary School remains committed to academic excellence through the integration of the arts. 2013-2014 was a very successful year for Lady's Island Elementary as the recipient of double silver awards for earning an 'Average' Absolute rating and a 'Good' Improvement rating. This academic success can be attributed to a school focus on state Common Core standards, the balanced literacy model, Everyday Math program and rigorous professional development through our third year of implementation of the Teacher Advancement Program. Lady's Island Elementary also qualifies as a Title one school, which provided funds for extra reading and math support for students. Title funds benefited students in the afterschool reading and math program, as well as after school computer lab. Other school activities have included Yoga Focus classes, Cup Stacking team, Running Club meets and the Science Fair competition.

In addition to the traditional subjects of physical education, art, and music, Lady's Island also boasts outstanding theater, dance, show choir, drumming, and strings programs. Lady's Island was awarded the Distinguished Arts Program grant. This grant, along with the ABC grant, funded additional opportunities for students to experience the arts woven into their academic programs. One example is the artists in residency programs that took place throughout the school year for students to participate in integrating drama, puppetry, and storytelling in the regular curriculum. In fact, Lady's Island Elementary is one of three ABC schools in Beaufort County who contributed to the district being awarded the Verner Award, the highest honor the state bestows to recognize outstanding achievement and contributions to the arts in South Carolina. The school was featured in a newly published college text entitled Creating Meaning through Literature and the Arts, authored by Dr. Claudia Cornett, as a model for integrated arts in school curriculum.

Our students and staff continue to give back to the community in many ways. This year, dance and show choir students performed for residents at assisted living facilities during the holiday season. The school also displayed students' framed art in local medical and business offices. Collections for Angel Tree, canned goods and Thanksgiving dinners were other ways in which students and staff supported members of our community. Local military and armed forces were honored through a Heroes Luncheon and Patriotic Assembly in the fall. Students having family members serving overseas participated in military "lunch bunch" each week. We are pleased with the many successes our school has experienced this school year, and look forward to the future and continuing to Soar to excellence in Academics and the Arts!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	84
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Lady's Island Elementary School has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
